Melissa-

I've attached a copy of my CV to this email, and I'll also include a copy in the case file. As for the discovery packet, I'll get it in the mail either today or tomorrow (sorry, but the data is not in a format that can be emailed). And May 11th works for me.

Hi Sonja,

The defense filed a motion to continue today, so the trial went to May 11. Can you email me a copy of your CV please to provide to the defense attorney for discovery. Also, he has requested your case file with the data from the testing etc. Is that something you can get to me?

Thanks,

Melissa
